

# SIENA — ELEVATED ELEGANCE IN PRESTIGIOUS TORRENS PARK

Welcome to Siena — two beautifully crafted residences nestled within one of Torrens Park's most tightly held pockets. Surrounded by wide, leafy streets and the gentle calm that defines this foothills suburb, Siena offers a rare opportunity for those seeking architectural elegance, everyday convenience, and enduring lifestyle value. Just moments from Mitcham's vibrant village heart and minutes to the CBD, this is where refined living meets connected, tranquil surrounds.

## DESIGN INFORMED BY TOPOGRAPHIC HARMONY

The façade exudes quiet sophistication — natural limestone anchoring the form, softened by vertical timber detailing, cladded soffits, and curated feature lighting. Expansive windows invite natural light throughout the day, while the statement timber entry door and matching letterbox offer a cohesive and elegant arrival experience. The result is a composed and contemporary profile, perfectly attuned to its tranquil Torrens Park setting

## INTERIORS OF SEAMLESS SOPHISTICATION

Abundant natural light pours through expansive glazing into the open-plan living hub, where soaring 3.2-metre ceilings amplify the sense of space. A dramatic stone-wrapped island anchors the gourmet kitchen, flowing effortlessly to a covered alfresco with outdoor kitchen provisions. Custom joinery, a spacious walk-in pantry, and a built-in wine bar add functional elegance.

Four generously proportioned bedrooms include a serene master suite with walk-in robe and luxurious ensuite. A separate lounge offers flexible retreat, while zoned ducted reverse-cycle air-conditioning ensures year-round comfort.
